

ARTISTS GUIDELINES FOR ART IN THE PARK – NOV, 2022

1. SELECTION OF ARTISTS INVITED

- If you want to be one of the artists displaying your work at the coming **Art-in-the-Park** on Friday **Nov 11th-13th**, you must send **photos of 2 of the pieces** that you propose to display at this AITP. Also, you must send **your biography**. Send the photos and biography at any time from now until end of **24th September** to +265 999 140834 or to +265 999 933722. Your submission will be acknowledged.
- **High standard:** At the last Art-in-the-Park, we took measures to raise the standard of the art displayed, so that visitors to the coming AITP would be pleased and want to buy more of the art on display. That approach was successful. So, for this coming AITP in November, again a group of judges will review the submissions from each artist. The judges will select only those of high enough standard. **Note** that the judges expect a higher standard than the last AITP. So be aware the competition is getting steeper and some artists may not be successful for this AITP.
- **Originality:** We will consider those who are original, not copying from your fellow artists neither those who copy on internet. Prove that you have your own style.
- **You will be told whether you have been selected by end of 1st October.** Any unsuccessful artist, if she or he wishes, can request some feedback so that improvements may be made before the next AITP.
- The following rules apply to only those artists that were selected for the November AITP:
