

ARTISTS GUIDELINES FOR ART IN THE PARK - MAY 2022

1. SELECTION OF ARTISTS INVITED

- If you want to be one of the artists displaying your work at the coming **Art-in-the-Park** on **May 20th-22nd**, you must send **photos of 3 of the pieces** that you propose to display at this AITP. Also, you must send **your biography**. Send the photos and biography at any time from now until end of **7th April** to +265 999 140834 or to +265 999 933722. Your submission will be acknowledged.
- **High standard:** Since the last Art-in-the-Park, we have been looking at how to raise the standard of the art displayed, so that visitors to the coming AITP will be pleased and will want to buy more of the art on display. A group of judges (not including any artists that will be displaying) will be reviewing the submissions from each artist. The judges will select only those of high enough standard.
- **Originality:** We will consider those who are original, not copying from your fellow artists neither those who copy on internet. Prove that you have your own style.
- **You will be told whether you have been selected by end of 14th April.** Any unsuccessful artist, if she or he wishes, can request some feedback so that improvements may be made before the next AITP in about October.
